June 1, 1949

Col. Paul T. Preuss  
Division of Military Applications  
Lt. W. Tuttle, Asst. Chief, Medical Branch  
Division of Biology and Medicine  
FUTURE TESTS - BIOLOGICAL AND MEDICAL PROGRAM

The Division of Biology and Medicine has accepted responsibility delegated to it by the Division of Military Applications for the integration of the proposed tests in Biology and Medicine submitted by the National Military Establishments with those of Commission Laboratories.

An ad hoc Committee on future tests in biology and medicine has been organized as follows:

A. E. C. ad hoc Committee on Future  
Tests in Biology and Medicine

George V. LeRoy - Internist - Chairman  
Leon O. Jacobson - Hematologist  
R. E. Sirkle - Radiobiologist  
D. B. Dill - Physiologist  
W. D. Armstrong - Biochemist  
F. Furth - Pathologist  
Col. Cooney - DHA  
Capt. Draeger - NME  
\*Samuel L. Clark - Neuroanatomist  
A. R. Sparrow - Geneticist

• Clearance started

An informal orientation meeting between staff members of this Division, Dr. LeRoy, and the member of the NME was held on May 25. Present plans call for a meeting of the full committee on June 7, 8, 9 and 10 to consider and integrate all of the proposals submitted by interested agencies. This combined proposal will then be submitted to the Division of Military Applications for further consideration by Dr. Alvin Graves, J Division leader, and the Medical Advisory Board.
